Subject: What's Your Spy Name?

Greetings JILL,

You've probably been spending all your free time playing the new HIT THE CODE™, WIN THE CASH online game, right? So you already know that it's loads of fun to play and that there are still up to 1,000 instant daily cash prizes to be won.

But do you know what your Spy Name is ?

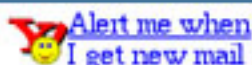

Maybe you've already discovered the Spy Name Generator and you've figured out what your name would be if you were a secret agent. But if you haven't, it looks like you've got a new mission...

[Click Here to Get Your Spy Name](#)

We're betting your friends would like to know their Spy Names too. You could type in their names yourself and keep their Spy Names a secret, or you can click on the Forward button below so they can find out for themselves!
